Directory of Consultants & Training Providers 2016

In the September issue we will be publishing the annual HSR Directory of Consultants and Training Providers. Our objective is to make the Directory as comprehensive as possible. To help us do this we would be obliged if you could return the details form that Shane O'Grady will send to you later this month. The last date for receipt of information is August 10th.

As well as the Directory we will later in the year be publishing the 2015 edition of the HSR Directory of Consultants & Training Providers booklet. This booklet offers those who wish to advertise the opportunity to do so and is published in response to requests from organisations to advertise.

Entry in either the Directory or in the HSR Directory Booklet is free to all who wish to place a notice of their services, irrespective of whether they advertise or not. Those who want to advertise in the Booklet should contact Shane O'Grady about cost of advertising. To contact Shane, phone 01-4127828 or email shane@irn.ie
